Vacation Time:

- All fellow requests for vacation time-off (20 days/year per institution policy) should be:
- a. Approved in writing.
 - b. Submitted at least six weeks in advance.
 - c. For no more than five consecutive work days, unless approved four months prior by the attending and program director.
 - d. Distributed throughout the year rather than clustered into a single rotation or calendar month.
 - e. Taken within the academic year ending June 30. Vacation time may not be carried over per Wayne State University School of Medicine GME policy.
 - f. "Leave time" includes sick leave, vacation, maternity leave, leave for locum tenens, or work in another institution that is not an ACGME accredited fellowship.
- Leave time or vacation may not be accumulated to reduce the overall duration of training.
