DUTIES AND RESPONSIBILITIES:
The Wayne State University Department of Physical Medicine and Rehabilitation at Beaumont Hospital is seeking a board certified or board eligible physiatrist to join our program. The ideal individual should have a strong interest in teaching residents and a track record of scholarly productivity in rehabilitation medicine. Beaumont Hospital and our outpatient clinics provide a state of the art environment for clinical rehabilitation of individuals with a variety of disorders. Research opportunities include multidisciplinary projects at our new IBIO center.

Duties include:

- Teach and train residents, medical students, allied health students and physician extenders
- Participates in continuing medical education program in the Department
- Conduct research in the area of PM&R and related disciplines and collaborate with other departments and institutes in research projects.
- Participate in faculty committees as appropriate
- Participates in meeting department fiscal and operational goals.
- Collaborates and cooperates with site leadership. Serves on other committees as needed.

EDUCATION AND EXPERIENCE:

- M.D. or D.O. (with board certification in PM&R)
- Interest in teaching and scholarly productivity in rehabilitation or related fields
- Demonstrated ability to lead, communicate, and work cross-functionally to foster long-term relationships.

Interested candidates should submit their curriculum vitae to:
Richard Krugel, MD, Interim Chair
