

Beaumont Health Mobile App

Beaumont has developed a consumer mobile app; available for Apple and Android devices in the App Store and Google Play. The app gives the user quick access to important information about Beaumont Health and supporting a healthy lifestyle. Functionality includes:

- **Contact Us** – Phone numbers for all eight Beaumont hospitals and medical centers at your fingertips
- **Directions** – Find a nearby Beaumont facility
- **Find a Doctor** – Search through our alphabetical database of more than 5,000 physicians
- **Patient Portal** – Connect to your Beaumont electronic health records
- **Wellness Calculators** – Find calorie, nutritional, heart rate, BMI information and more
- **Social** – A feed of the most up-to-date posts and stories from Beaumont Health’s many social media accounts
- **Portal for Physicians** – Use the Beaumont Health app to find a Beaumont doctor, search for ICD and CPT codes, find help for referrals, [Claim CME credits](#), [view CME calendar of events](#).

Additional features identified for future development include wayfinding within the hospital campuses, first aid tips and advice, patient status notifications from the operating room and bedside Skyping with out-of-town family and friends.

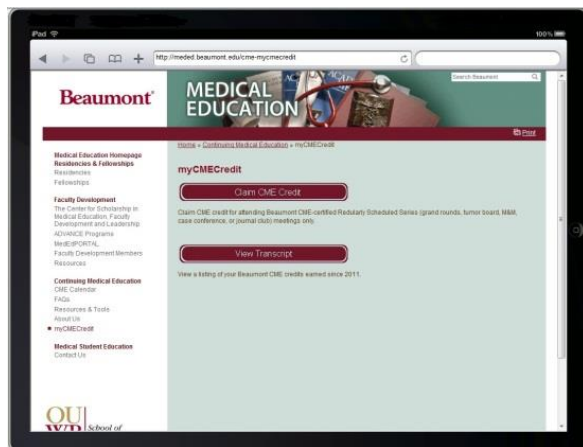

Beaumont *myCME Credit*

Claim CME credits for participation in Beaumont grand rounds, M&M, tumor board, case conference, journal club or other regularly scheduled meetings online.

This site is accessible with any device that can access the Internet – computer, smartphone, iPad, etc.

An app download is not required.
